DISCOUNTED CORPORATE MEMBERSHIP PROGRAM

If your company oversees 4-10 ambulatory surgery centers you can take advantage of CASA's discounted corporate membership program. Our facility membership fees are based on a surgery center's number of ORs. We offer our corporate partners a flat-rate fee that can save ASCs up to \$325. All staff under our member-centers have access to CASA benefits.

For more information about CASA, please contact us using the contact details below.
